REWARD OFFER DETAILS

Various types of Reward offers are available. To participate in most Reward offers accepting a product trial, making purchase or completing a credit application is required. This section includes summary information on participating in these most common types of Reward offers. You may scroll down to review specific offers.

For product trial offers you must typically pay a fee for shipping and/or processing to evaluate the Reward's product. If you do not cancel within the trial period you will be billed at the Reward's posted rate. To receive credit for participating in a trial offer you are not required to remain a customer beyond the trial period, however, we encourage our members to only participate in trials that interest them and allow enough time to seriously consider the product offered by our Reward.

To participate in a Reward offer that requires a purchase you must accept the goods and/or services and await the expiration of the refund period. Reward offers may also include financial offers such as credit cards and loan products that require a credit application.

In order to receive credit for participating in a financial offer you must be approved and accept the underlying credit card or loan product. For credit cards you may also be required use the card by making a purchase or balance transfer and remain a cardholder in good standing for at least ninety days.

The consideration required to complete Reward offers typically increases as you progress through the Top, Prime and Premium offer pages. Prior to completing any Reward offers you may navigate the offer pages and review a sample of available offers. Additional offers are also available in the member login area.

The following section contains a representative sample of the type of sponsor offers offered in conjunction with this promotion. These offers are administered by third-party advertising clients and are subject to change without notice. It is important that you review all current terms and conditions related to any offer that interests you prior to completing the offer.

Other offers may also be presented. Please review the specific terms and conditions related to those offers carefully at the time of sign up.

DailyDealFinder.com**MEMBER INCENTIVE PROGRAM PARTICIPATION TERMS AND CONDITIONS.**

Last Modified October 15, 2009

These terms and conditions describe the participation requirements for the DailyDealFinder.com membership incentive program and its general membership policies. DailyDealFinder.com is solely responsible for the administration of this membership incentive offer. The owners of trademarked names and merchandise used in our promotions do not sponsor and have not endorsed this promotion, nor are they affiliated with DailyDealFinder.com in any way. All trademarks are the property of their respective owners with all rights reserved.

To become a DailyDealFinder.com member and participate in its membership incentive promotion, you must be at least 18 years old and a legal resident of the Contiguous United States with a valid email and mailing address. If you do not meet these requirements, we ask that you do not complete the registration process. Offer not valid to residents of Washington State, Puerto Rico, US Virgin Islands, and where prohibited by law.

How the Program Works:

This offer is available to US residents only. Participants must be at least 18 years of age. To receive the Membership Incentive Promotion gift you must complete all of the steps outlined herein. Prospective members must: (a) submit their zip code to determine geographic eligibility; (b) register with a valid and deliverable email address; (c) submit accurate contact and demographic information including a physical mailing address; (d) acquire two sponsor action points from the Top Offers Group, two offers from the Prime Offers Group, and 9 offers from the Premium Offers Group for a total of 13 sponsor offers; (e) and refer three friends to do the same (i.e. register and complete the required number of sponsor offers). Action points are earned when a DailyDealFinder.com user fully completes a sponsor/advertiser offer after accessing the offer by clicking on a link provided on the DailyDealFinder.com website or from the DailyDealFinder.com member area. Attempting to gain action points in any way other than clicking on the advertiser links provided by DailyDealFinder.com will result in the cancellation of your DailyDealFinder.com membership. Please note that the Prime Offers group and Premium Offers group may be accessed from the DailyDealFinder.com member area. (f) You must complete and return an Incentive Redemption form after accumulating the required action points for both you and your referral. The form may be downloaded from the member area after you have earned 13 action points. Please understand that failure to supply current and accurate address and demographic information on the redemption form may hinder our ability to deliver the incentive gift to you.

In cases of a financial offer such as a credit card, the card must be activated by making a purchase, balance transfer or cash advance in order for the offer to be considered "completed", and the user must remain a card holder for at least 60 days. For paid retail offers you must accept the item/service and pay in full. If a product/item (not services) is returned or canceled, then credit for the subsequent offer will not be awarded. Purchasing retail offers for resale or commercial purposes is not allowed. In order to receive credit for any sponsor offers completed, the billing information must match exactly to the information used when registering with DailyDealFinder.com. Additional terms and conditions may apply to participation in select marketing offers. You should read the terms of each offer as provided by the advertiser for an explanation of these terms where they exist.

DailyDealFinder.com reserves the right to require individuals to provide documentation demonstrating they have completed the advertiser requirements prior to incentive gift redemption in cases where that information is unavailable from the advertiser.

You have up to ninety days from the original date of your membership registration to complete the membership incentive program and redeem your incentive gift. Your gift eligibility is secured as soon as you complete two offers from the Top Offers Group, two from the Prime Offers Group, and 9 from the Premium Offers Group and refer a friend to do the same. Once you meet the offer completion requirements, you will need to login to your account to print off your redemption certificate. Once we have received your verification, your gift will be sent within thirty days. Gift redemptions are limited to one gift per household. If you have registered for multiple membership incentive gift promotions, you will be given your choice of gift items upon logging into your Member's Area. Action points are not transferable from one incentive gift to another.

Miscellaneous Bonus Offer:

From time to time, there may be additional bonus gift opportunities available at varying positions throughout our promotions. The specific requirements for receipt of these bonuses will be recited on the webpage where they are offered. Please note that no bonus of any kind will be awarded to any individual who does not first fully complete the requirements for receipt of the underlying incentive gift item. Members should understand that we use various means (e.g. email, web pages, etc.) to promote bonus offerings. Members will not receive more than one bonus gift for completing the same bonus offering multiple times. The Miscellaneous Bonus Offer is limited to one per person/household.

Please note that it may take up to eight weeks for our marketing partners to report to us that you have completed their offer. Please be patient while our marketing partners report back to us. You may check your redemption status at anytime through our member interface area at <http://mywebrewardsclub.com/status.php>. Simply log in using the same email address with which you registered.

1. INTRODUCTION

1.1 PURPOSE OF POLICY. Site ("us", "we", or "Company") is committed to respecting the privacy rights of its customers, visitors, and other users of the Company Website (the "Site") pursuant to the terms contained herein. We created this Privacy Policy (this "Policy") to give you notice of how your private information will be used as a result of submitting it to our Company. This Policy is only applicable to the Site, and not to any other websites that you may be able to access from the Site, each of which may have data collection and use practices and policies that differ materially from this Policy.

1.2 NOTICE CONCERNING CHILDREN. We are a general audience site, and do not direct any of our content specifically at children under 13 years of age. We understand and are committed to respecting the sensitive nature of children's privacy online. If we learn or have reason to suspect that a Site user is under age 13, we will promptly delete any personal information in that user's account.

2. INFORMATION COLLECTION PRACTICES

2.1 WHAT BASIC INFORMATION DOES THE COMPANY COLLECT? We collect certain personal information about our users that enables us and/or our affiliates and partners to identify or contact users, and includes, among other things, the user's full name, address, telephone number and e-mail address, as well as other information we maintain about a person in identifiable form.

2.2 WHAT ADDITIONAL INFORMATION DOES COMPANY COLLECT?

(a) AUTOMATIC COLLECTION. Our servers automatically recognize visitors' domain names and IP addresses (the number assigned to computers on the Internet). No personal information about you is revealed in this process. The Site may also gather anonymous "traffic data" that does not personally identify you, but that may be helpful for marketing purposes or for improving the services we offer.

(b) COOKIES. From time to time, we may use the standard 'cookies' feature of major browser applications that allows us to store a small piece of data on your computer about your visit to our Web site. We do not set any personally identifiable information in cookies, nor do we employ any data capture mechanisms on our website other than cookies. Cookies help us learn which areas of our site are useful and which areas need improvement. You can choose whether to accept cookies by changing the settings on your browser. However, if you choose to disable this function, your experience at our Web site may be diminished and some features may not work as they were intended.

Notwithstanding any other provision in this policy, in visiting this site, a third-party advertiser (or its partners) may place or recognize a unique cookie on your browser. These cookies enable more customized ads, content or services to be provided to you. To trigger these cookies, we may pass an encrypted or 'hashed' (non-human readable) identifier corresponding to your email address to a Web advertising partner, who may place a cookie on your computer. No personally identifiable information is on, or is connected to, these cookies. To opt-out of these cookies, please go to <http://www.privacychoice.org/companies> or <http://www.aboutads.info/choices>.

3. USE AND SHARING OF INFORMATION

3.1 WHAT DOES COMPANY DO WITH COLLECTED INFORMATION?

(a) PERSONAL INFORMATION. We will share any and all personal information you submit to our Company with third parties who may have products or services you will find of interest. We will share your information without your additional consent. We may also use your personal information to verify your identity, to check your qualifications, or to follow up with transactions initiated on the Site. We may also use your contact information to inform you of any changes to the Site, or to send you additional information about us. If you give your permission during the account registration process, we may share your information with our business partners or other companies so that they may send you promotional materials. By giving your permission during the account registration process, you expressly consent to receive such promotional materials from us, Debt Solution Center, and/or our business partners or other companies via various media channels, which includes, but is not limited to, SMS messaging (standard carrier text messaging charges will apply). We may also share your information with affiliated and non-affiliated third-parties to offer products or services, including but not limited to magazine offers, that may be of interest or benefit to our customers. By providing your personally identifiable information through the Site, you have consented and given your express written permission to receive offers from such non-affiliated third parties.

(b) ANONYMOUS INFORMATION. We use anonymous information to analyze our Site traffic, but we do not examine this information for individually identifying information. In addition, we may use anonymous IP addresses to help diagnose problems with our server, to administer our site, or to display the content according to your preferences. Traffic and transaction information may also be shared with business partners and advertisers on an aggregate and anonymous basis.

(c) USE OF COOKIES. We may use cookies to deliver content specific to your interests, to save your password so you don't have to re-enter it each time you visit our site, or for other purposes. Promotions or advertisements displayed on our site may contain cookies. We do not have access to or control over information collected by outside advertisers on our site.

(d) DISCLOSURE OF PERSONAL INFORMATION. We may disclose personal information if required to do so by law or in the good-faith belief that such action is necessary to (1) conform to the edicts of the law or comply with legal process served on Company or its parent company, subsidiaries or affiliates, (2) protect and defend the rights or property of Company or the users of the Site, or (3) act under exigent circumstances to protect the safety of the public or users of the Site.

(e) SALE OF INFORMATION. In order to accommodate changes in our business, we may sell or buy portions of our company or other companies or assets, including the information collected through this Web site. If Company or substantially all of its assets are acquired, customer information will be one of the assets transferred to the acquirer.

(f) ACCESS TO INFORMATION. Unfortunately, we do not maintain any procedures for you to review or request changes to the information that we collect about you, except that you may request that we remove all information about you from our database by contacting us in accordance with Section 6.1 below.

(g) CHOICES FOR PERSONAL INFORMATION. By submitting personal information at the Website, you agree that such act constitutes an inquiry and/or application for purposes of the Amended Telemarketing Sales Rule (16 CFR §310 et seq.), as amended from time to time (the

"Rule"). Notwithstanding that your telephone number may be listed at the Federal Trade Commission's Do-Not-Call List, you give us the right to contact you via telemarketing in accordance with the Rule.

4. SECURITY. The Site has security measures in place to prevent the loss, misuse, and alteration of the information that we obtain from you, but we make no assurances about our ability to prevent any such loss, misuse, to you or to any third party arising out of any such loss, misuse, or alteration.

5. WEBSITE AREAS BEYOND COMPANY'S CONTROL

5.1 PUBLIC FORUMS. The Site may include interactive forums such as message boards and chat rooms. Please remember that any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose your personal information.

5.2 THIRD PARTY WEBSITES. The Site may contain links to other websites. If you choose to visit other websites, we are not responsible for the privacy practices or content of those other websites, and it is your responsibility to review the privacy policies at those websites to confirm that you understand and agree with their policies.

6. POLICY UPDATES

6.1 UPDATES AND CHANGES. We reserve the right, at any time, to add to, change, update, or modify this Policy, simply by posting such change, update, or modification on the Site and without any other notice to you. Any such change, update, or modification will be effective immediately upon posting on the Site. It is your responsibility to review this Policy from time to time to ensure that you continue to agree with all of its terms.

ThinAction

Why it's healthy

"Goji berries have one of the highest ORAC ratings -- a method of gauging antioxidant power -- of any fruit, according to Tufts University researchers. And although modern scientists began to study this ancient berry only recently, they've found that the sugars that make goji berries sweet reduce insulin resistance -- a risk factor of diabetes - - in rats."

Can It Lower Cholesterol?

"Researchers report that significant reductions in total cholesterol and triglycerides were seen in smokers who drank a product containing juice from the fruit of the noni tree every day for a month."

Green Tea May Ward Off Weight Gain

"The benefits of green tea might include blocking fat and keeping extra pounds at bay, according to preliminary lab tests in mice."

ThinAction can Benefit YOU!*

- Increase your energy
- Stay alert, motivated, and on task
- Powerful Green Tea to boost metabolism
- Burn excess calories
- Reduce your appetite
- Helps you control your cravings
- Finally lose the weight
- Antioxidants Goji and Noni
- Look and feel great!

Clinically Studied Ingredients

Recent studies show that catechins (found in Green Tea) promote weight loss. A powerful antioxidant, Goji Berries have been studied extensively in China for their effectiveness in fighting free radicals. The appetite suppressant and energy-inducing effects of guarana are extensively studied. These effects have resulted in statistically significant weight loss in animal and human trials when combined with proper diet and exercise.

**BESTDIGITALREWARDS.COM
MEMBER INCENTIVE PROGRAM PARTICIPATION TERMS AND CONDITIONS.**

Last Modified February 4, 2012

The following terms and conditions describe the promotion's participation requirements for the Bestdigitalrewards membership incentive program and its general membership policies. Bestdigitalrewards is solely responsible for the administration of this membership incentive offer. The owners of trademarked names and merchandise used in our promotions do not sponsor and have not endorsed this promotion, nor are they affiliated with Bestdigitalrewards in any way. All trademarks are the property of their respective owners with all rights reserved.

To become a Bestdigitalrewards member and participate in its membership incentive promotion, you must be at least 18 years old and a legal resident of the Contiguous United States with a valid email and mailing address. If you do not meet these requirements, we ask that you do not complete the registration process. Offer not valid to residents of Washington State and where prohibited by law.

How the Program Works:

This offer is available to US residents only. Participants must be at least 18 years of age. To receive the Membership Incentive Promotion gift you must complete all of the steps outlined herein. Prospective members must: (a) register with a valid and deliverable email address; (b) submit accurate contact and demographic information including a mailing address, if applicable; (c) acquire two sponsor action points from the Silver Offers Group, two offers from the Gold Offers Group, and nine offers from the Platinum Offers Group for a total of 13 sponsor offers; (d) and refer three friends to do the same (i.e. register and complete the required number of sponsor offers). All referrals must be unique in that the registration information and IP address must be different from the original referring account. Action points are earned when a Bestdigitalrewards member completes an advertiser offer after accessing the offer by clicking on a link provided on the Bestdigitalrewards.com website or from the Bestdigitalrewards.com member area. Attempting to gain action points in any way other than clicking on the advertiser links provided by Bestdigitalrewards.com will result in the cancellation of your Bestdigitalrewards.com membership. Please understand that this means completing two offers from the Silver Offers group, two offers from the Gold Offers group, and nine offers from the Platinum Offers group. The Gold Offers group and Platinum Offers group may be accessed from the Bestdigitalrewards.com members area. The member's area is also where you will find your unique referral link to distribute to your friends and family. You must complete and return an Incentive Redemption form after accumulating the required action points. The form may be downloaded from the member area after you have earned thirteen points and refer three friends to do the same. Please understand that failure to supply current and accurate address and demographic information on the redemption form may hinder our ability to deliver the incentive gift to you.

In cases of a financial offer such as a credit card, the card must be activated by making a purchase, balance transfer or cash advance in order for the offer to be considered "completed", and the user must remain a card holder for at least 60 days. In order to receive credit for any sponsor offers completed, the billing information must match exactly to the information used when registering with Bestdigitalrewards.com . Additional terms and conditions may apply to participation in select marketing offers. You should read the terms

of each offer as provided by the advertiser for an explanation of these terms where they exist.

Bestdigitalrewards.com reserves the right to require individuals to provide documentation demonstrating they have completed the advertiser requirements prior to incentive gift redemption in cases where that information is unavailable from the advertiser.

You have up to ninety days from the original date of your membership registration to complete the membership incentive program and redeem your incentive gift. Your gift eligibility is secured as soon as you complete two sponsor action points from the Silver Offers Group, two offers from the Gold Offers Group, and nine offers from the Platinum Offers Group for a total of 13 sponsor offers. You must also refer three friends to do the same. Once you meet the offer completion requirements, you will need to login to your account to print off your redemption certificate. Once we have received your verification, your gift will be sent within thirty days. Gift redemptions are limited to one gift per household. If you have registered for multiple membership incentive gift promotions, you will be given your choice of gift items upon logging into your Member's Area. Action points are not transferable from one incentive gift to another.

Quick Completion Bonus Offers (Quick Completion Bonus):

From time to time, Bestdigitalrewards may make additional incentive items available to first time registrants if they complete the BestdigitalrewardsMembership Incentive Promotion (as defined above) within a specified time period of their initial registration session. "Initial registration", as used in connection with Bestdigitalrewards bonus offers, means the first time any individual submits his or her personal information to Bestdigitalrewards . Initial registration does not include any subsequent registrations with Bestdigitalrewards for different Member Incentive Promotions. Bonus Offers are limited to one per person/household.

Miscellaneous Bonus Offers (Featured Sponsor & Welcome Bonus):

From time to time, there may be additional bonus gift opportunities available at varying positions throughout our promotions. The specific requirements for receipt of these bonuses will be recited on the webpage where they are offered. Please note that no bonus of any kind will be awarded to any individual who does not first fully complete the requirements for receipt of the underlying incentive gift item. Members should understand that we use various means (e.g. email, web pages, etc.) to promote bonus offerings. Members will not receive more than one bonus gift for completing the same bonus offering multiple times. The Miscellaneous Bonus Offer is limited to one per person/household.

Please note that it may take up to six weeks for our marketing partners to report to us that you have completed their offer. Please be patient while our marketing partners report back to us. You may check your redemption status at anytime through our member interface area at <http://Bestdigitalrewards.com/status.php>. Simply log in using the same email address with which you registered.

Bonus Reward Center Emails:

From time to time you may receive bonus emails from Bonus Reward Center. The specific requirements for receipt of these bonuses will be recited on the webpage/email where they are offered. Please note that no 3rd party bonus of any kind will be awarded to any individual who does not first fully complete the requirements for receipt of the underlying

incentive gift item. Members will not receive more than one Bonus Reward Center bonus gift for completing the same bonus offering multiple times. The Bonus Reward Center Offer is limited to one per person/household. TERMS OF SPONSOR OFFERS:

Bestdigitalrewards is not responsible for its sponsors' offers or any transactions that you enter into with the advertisers, sponsors, or partners on this website. Bestdigitalrewards cannot fulfill a sponsor offer, cancel a sponsor offer on your behalf, refund any charges you have incurred, or service an account you created with an advertiser. You should carefully read the requirements, terms and conditions, privacy policy, and billing practices for each sponsor offer prior to signing up.

REFERRALS:

From time to time you may be given the opportunity to refer friends to one of our web properties in order to receive additional incentive gifts. In order to connect these referrals to your account, we will provide you with a unique link to this website, which you must then distribute to the intended parties. Your referral link will be provided in your member's area. Any referral that does not click this URL or type it into their web browser accurately cannot be tracked and, thus, cannot be connected to your account. Note that some applications can remove the tracking part of this URL. You assume the risk of this link breaking when using our website. You are responsible for distributing the referral link.

Bestdigitalrewards will not send out any communications on your behalf to encourage such sign-ups to occur. You may complete more than the required number of reward offers and may refer more than the required number of unique households. Additional referrals or offer completions will not result in additional rewards.

Bestdigitalrewards reserves the right to screen all referrals for suspicious activity. We reserve the right to determine, in our sole discretion, which referrals are fraudulent or in violation of these Terms & Conditions, and to place on hold or disqualify all accounts associated with an improper referral. Participation in a "conga line" or any other organized system of individuals trying to obtain enough referrals to qualify for the reward is strictly prohibited and will result in disqualification of your account, as well as the account belonging to the person(s) that referred you to the website and the person(s) that you referred.

Express Consent:

By accepting of the terms and conditions of this website, and providing your telephone number, you are subscribing to a service that transmits special offers to subscribers via pre-recorded voice messages.

By subscribing, you are expressly consenting to receive prerecorded telephone messages from The Firebrand Group, LLC, a Nevada company doing business as Worldwide Commerce Associates ("WCA") that include special or discounted sales offers. You are subscribing to receive offers only from WCA, and only at the specific number(s) you have provided to us. Your consent will be effective regardless of whether the number you have provided: (a) is a home, business, or cell phone line; and/or (b) is or will be registered on any state or federal Do-Not-Call (DNC) list, and shall remain in effect until you revoke your

consent and cancel your subscription.

To unsubscribe: You may cancel your subscription and revoke your consent to receive telephone calls at any time by either (a) utilizing the opt-out procedure included in any message you receive; or (b) by calling 800-269-0281.

NOTE: WCA does not send offers via e-mail, and is unable to honor any unsubscribe requests sent by other companies. If you are receiving offers via e-mail, please follow the unsubscribe instructions included therein.

Choice of Laws/Venue:

You agree that this agreement shall be construed and governed in accordance with the laws of the state of Pennsylvania regardless of the conflict of laws provisions of the jurisdiction where you live or any other jurisdiction. You also agree that the proper venue for any dispute pertaining to this agreement shall be the State and Federal Courts located in the County of Chester, State of Pennsylvania.

Arbitration:

Should a dispute arise concerning the terms and conditions of this Agreement or the breach of same by either party hereto, the parties agree to submit their dispute for resolution by arbitration before the American Arbitration Association in Broward County, Florida, in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. Any award rendered shall be final and conclusive to the parties and a judgment thereon may be entered in any court of competent jurisdiction. Nothing herein shall be
